OFFICE OF THE REGISTRAR OF CO-OPERATIVE SOCIETIES IN MYSORE, BANGALORE.

Circular No. 1—C. S., dated 1st July 1938.

In the course of the inspections of some of the Urban Societies by the undersigned, it was noticed that "Bills for Collection" Registers are not being maintained by them and that cheques on other Banks, tendered by their constituents for realisation and credit of account, are being treated as cash and entered in the accounts accordingly, the entries being reversed in case of dishonour of the cheques concerned. This procedure is irregular and gives opportunities for the commission of frauds by the officials of the societies concerned. The Managing Committees of Societies are therefore hereby instructed not to treat cheques as cash and to open "Bills for Collection" Registers for cheques sent to them for realisation and credit of account and give credit of the amounts of the cheques to the accounts of the parties only after realisation. They are also informed that if they fail to carry out these instructions, they render themselves liable to be held responsible to make good any losses that may accrue to the societies by their negligence in this respect.

OFFICE OF THE SUPERINTENDENT, GOVERNMENT STATIONERY DEPOT, BANGALORE.

Circular No. S. 241, *dated* 25*th July* 1938.

To

ALL OFFICERS INDENTING FOR THE SUPPLY OF STATIONERY ARTICLES ON THE GOVERNMENT STATIONERY DEPOT, BANGALORE.

Subject :—*Regarding the revision of the Standing Lists of Stationery Articles.*

Has the honour to state that Government have in their Order No. G. 7918-70—P. & S. 50-37-2, dated 29th March 1938, ordered that the standing lists of all offices should be revised so as to provide for the supply of full quantities of the articles of stationery due to each office according to its needs and the average consumption during the past twoyears so that there might be no need for special sanctions for additional or advance supplies hereafter. The work of revision of standing lists has also to be expedited and the revised lists brought into force from the next official year 1939-40 as directed in Government Order No. G. 10205-50—P. & S. 50-37-11, dated 27th June 1938, published on page 237 of Part I of the *Mysore Gazette*, dated 7th July 1938. Extracts of the relevant portions of the Government Order of 29th March 1938, referred to above are appended. All indenting officers are therefore requested to kindly prepare revised lists of stationery of their offices according to their present requirements and the average consumption during the last two years and to forward them to this office duly countersigned by the head of the department concerned at a very early date. On receipt of the revised lists, they will be checked in this office with reference to the strength of establishment of the offices concerned and the prescribed scale of supplies, and the revised standing lists adopted.

Such of the officers as have not furnished the detailed strength of their offices, both ministerial and gazetted, in response to this office Circular No. S. 2201, dated 31st January 1938, published on page 199 of Part III-2 of the *Mysore Gazette*, dated 3rd February 1938, are requested to kindly furnish the information immediately in the form indicated therein.

Extracts of the Government Order dated 29*th March* 1938.

The standing lists of supply of stationery, etc., to offices were prepared as far back as 1930-31, and the enforcement of the Economy Orders restricting the supply of essential articles of stationery, forms and registers to 75 per cent is causing considerable inconvenience and in various cases Government after considerable correspondence have had to relax the rules.

The Superintendent is authorised to revise the standing lists and fix, in consultation with Heads of Departments and offices, the quantities of the articles of stationery due to each office according to its needs and the average consumption during the past two years and to make supplies to the full extent admissible under the rules.

29. SHAMA SASTRY, DR. R., B.A., PH.D.—*Drapsa: The Vedic Cycle of Eclipses.* This is an "attempt to unveil the mystery in which the sacrificial calendar of the Vedic poets is enshrouded" by recovering the lost and forgotten era which the poets themselves had invented and continued from 3101 B.C. to about 500 A.D. This, in the author's opinion, secures the key to the explanation of a number of

theological and mythological stories, mystical facts, and statements, not only in the Vedas but Tantras and Epics as well. Thus, the 63 Salāka Purushas of the Jains with their followers are all so many solar and lunar eclipses; "Srichakra is a graphic representation of eclipses"; the story of Dussasana and Droupadi may owe its origin to the phenomena of clearance of a solar eclipse. The Vedic Aryans, like all other ancient nations, knew the cycle of eclipses; and "Drapsa" (Tait. Aranyaka) is a cycle of 20,000 days.
